A modern desert home with a large glass wall, a geodesic dome, and a fire pit at dusk. The scene is set in a desert landscape with mountains in the background and a saguaro cactus on the right. The interior of the dome is visible, showing a bed and some furniture. The fire pit is lit, and there are some outdoor chairs and a small table in the foreground.

Fogateros

A scenic view of a mountain landscape at sunset. In the foreground, a modern, elevated viewing platform with a metal railing and wooden deck is visible. Several people are on the platform: two are standing and looking out over the valley, while a group of five are sitting on a long, low sofa. The platform is surrounded by dense green trees. In the background, a valley with a small town is visible, nestled between rolling hills. The sun is setting on the left side of the frame, casting a warm, golden glow over the entire scene. The sky is a mix of orange and blue.

Mirador Elevado

A large group of people are sitting on the ground in a semi-circle, watching a movie on a large outdoor screen. The scene is set at night, with a city and mountains visible in the background. The people are sitting on beanbag chairs and blankets, and there are small tables with drinks and snacks. The movie on the screen shows a man and a woman sitting in a desert landscape. The text "Cine al Aire Libre" is overlaid on the image.

Terraza Texana

The image shows a spacious, modern interior with a rustic aesthetic. The ceiling is made of dark wood with exposed beams. Large floor-to-ceiling windows on the left side offer a panoramic view of a desert landscape with mountains and cacti. Inside, there is a light-colored sofa, a wooden coffee table, a kitchen island with stools, and a bed in the foreground. The overall atmosphere is warm and inviting.
